WORK EXPERIENCE

01/04/2017–Present

Full-Stack Developer - Remote

Codeable ApS, Klampenborg (Denmark)

<https://codeable.io/developers/alex-bordei/>

Codeable ApS is one of the most powerful web development outsourcing companies.

Its exclusive position allows maintaining a high-quality outsourcing level by providing the services of 300 validated experts to an impressive number of customers demands.

More about their work can be found at <https://codeable.io/>

01/07/2016–Present

Full-Stack Developer

Whiz Media Center SRL, Bucharest (Romania)

At Whiz Center, I continued to work with most of PFA's customers and were able to develop new collaborations between us and new clients and outsourcing platforms.

Among my responsibilities, besides developing software, I was responsible for maintaining customer relationships, project management, and administration of the company.

01/10/2012–12/2016

Full-Stack Developer

Bordei S. Alexandru Ionel PFA

Over the past four years, I have been working using the PFA's legal form and I have gained knowledge regarding customer relationships, project management and custom software development techniques. Some of the business relationships earned during this time have been kept in partnership with Whiz Center.

PFA's activity domain: custom-made software development.

Manager IT

Rompay Solutions SRL, Bucharest (Romania)

Rompay Solutions is one of the biggest payments processors through Self-Service terminals company in Romania.

My job assignments within this company were to integrate Rompay with various partners for which transaction processing was needed to be done.

I was responsible for establishing the technical details, developing a project management plan for each integration and developing gateways systems (most of them using C#) capable of accessing and processing from our servers the data received from the partner's webservice, in line with those entered by the final customer at the POS.

The beauty of the job consisted of the complete freedom to discuss, design, execute and manage the integration projects.

Editor, moderator of a radio program and technical support responsible for other shows

S.C. SIGNUS TELECOM SRL, Radio Baragan, Calarasi (Romania)

My first excellent job.

I have been moderating a 3-hour daily radio show, including news of local interest and other news from the world and the local community.

At the same time, I was responsible for technical equipment maintenance and assuring technical support during other shows.

EDUCATION AND TRAINING

2017–Present

Master degree

Nivelul 7 CEC

Faculty of Mathematics and Computer Science, Babes-Bolyai University, Cluj-Napoca (Romania)
Computational Intelligence Applied

2010–2015

Bachelor's degree

Nivelul 6 CEC

Universitatea „Politehnica” București, Facultatea de Științe Aplicate, Bucharest (Romania)
"Politehnica" University of Bucharest, Faculty of Applied Sciences

High school diploma

Nivelul 4 CEC

"Barbu Știrbei" National College, Călărași (Romania)
Mathematics and Informatics

PERSONAL SKILLS

Mother tongue(s)

Romanian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B1	B1	B1	B1	B1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
Common European Framework of Reference for Languages

Communication skills

As a freelancer, I gained good communication skills, in the collaboration between the entities represented by me and the final clients.

Organisational / managerial skills

Since 2013, starting with the position of IT Manager at Rompay Solutions SRL, I gained good organizational skills through the collaborations on the projects that were implemented.
Afterwards, the experience was increased, with the diversification of collaborations types and the opportunity of meeting a larger and so different amount of clients.
Over time I had some really great experiences with the leadership of 3 people team.

Digital competence

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Proficient user	Proficient user	Proficient user

Digital competences - Self-assessment grid

Programming languages, technologies and databases:

C#, JAVA, JAVA pentru Android, PHP, JavaScript, Ajax, HTML5, CSS3, MSSQL, MySQL, jQuery, Bootstrap, CodeIgniter, WordPress, REST API, WSDL, Arduino, Tizen SDK, Linux, IIS

Other skills I am an active member of the Open-Source community and I strongly believe in the "Sharing is Caring" motto, trying to share my knowledge and personal experiences through conferences, related meetings and my personal blog.

Driving licence B
